

Memphis HOG Chapter #4928

February 1, 2010

Dear Harley Davidson Dealership,

My name is Pam Powell and I am the 2010 LOH Officer for the Memphis HOG Chapter. This year our ladies are making a "Quilt of Memories" which will document the travels of our members this year. We are asking them to visit HD Dealerships on their travels and purchase a chapter rocker to be placed on our quilt. They will also be turning in mileage so we can document total mileage traveled.

Our quilt will consist of quilt blocks of the visited dealerships along with our Memphis Chapter rocker. It will also document mileage and the total number of members participating . We are very excited about this project and look forward to seeing our finished product as well as listening to the road stories our members share with us. Thank you for allowing our members to purchase one of your chapters rockers. It is going to a great southern home!

Sincerely yours,

Pam Powell
