

Newsletter of the Memphis Harley Owners Group  
Chapter 4928~Founded February 20, 1986

volume 49 Issue 14

February 2023

We have made it to February, we can start to see the light at the end of the cold weather tunnel. I find it so exciting; I have been checking out Cathy Coats plans for us this coming year. It appears we have a couple of trips that will be four days, and a few three-day rides, along with our usual lunch rides and other fun things to do. This year included is our second annual Bowling party. I am super stoked about the trip to Milwaukee. Harley Davidson will be hosting there 120th anniversary extravaganza. Kathy and I have our hotel room booked. I'm just starting my planning for service on my motorcycle. How it will land prior to leaving for the trip. A group of Memphis Chapter officers just completed training at the Harley Davidson ROC course. Picked up a lot of great ideas and we had good ideas exchanged with other Hog groups, from around the country. It's great to see how all the other chapters do things. And it's sad to hear that some of them are bogged down by their sponsoring dealer's ownership. We are so very fortunate to have the Bumpus family of Harley Davidson supporting this chapter. I believe we came away with a few new ideas to throw out there this year to see if they will fly for us. One of the big conversation points, at this year's ROC training was, who can plan and lead a ride, a Road Captain is not needed for sanctioned chapter rides. According to HOG's ROC instructor, there's nowhere in the handbook that requires it. So, I would say feel free to create a ride and plan on leading it. Although you will be responsible for maintaining paperwork and getting it into Jim Tactac after the ride is completed. That means maintaining sign in sheets, waivers, and so on. Another take away from the course was the opening of discussions at meetings to help and share information with other riders. Starting at the February meeting and going forward I will be looking to the audience to share some of their motorcycle experiences. Looking at the long weekend rides we are going to be on this year, I figured I would start with packing the motorcycle. I will be looking towards those who have done a lot of long-distance riding. Packing of the motorcycle can be very difficult. Share some of the tips and secrets that make it a success and an enjoyable ride.

Again, with the light at the end of the tunnel we now see more days that we can ride, then we can't. I would strongly encourage you to stop in at Bumpus Harley Davidson and make that service appointment. You know very shortly it's going to get longer and longer before you can get the bike in for service. If you are a do it yourselfer the parts department is there to support you with all your needs, from oils, to waxes, from seals, to mirrors, the gang at the parts department can definitely get whatever you need. And let's not forget Val and her great staff of Motorclothes associates there to get you in the perfect helmet, best pair of boots or some new duds to make you look super good on our first trip to Beale Street for bike night. And when you're there swing by the sales associate desk and say hello to Lee Bumpus, Lee is always there to support his sales staff just in case you get The itch for that new 2023/ 120th anniversary motorcycle.

**"Always remember, friends don't let friends ride alone. Now get out there and put some miles on  
Tim Backus 2023 Memphis HOG Director**

## Carol's Conrer

This month assistant Director's newsletter Comes with some bad and good news attached. I must announce that Roelant has decided to step away from the Assistant Directors position. Due to personal reasons pulling him in different directions he feels he no longer can provide the 100% dedication to the Memphis HOG Chapter. He feels it in all best interest to step aside and allow another take his role. Although Roelant is stepping away from the officer's position he is not stepping away from the organization. He will still be involved as a member, Road Captain, and riding with the group, even coming to some dinner socials. I'd like to personally take this time to thank Roelant for all of his service to the Memphis HOG chapter over these many years as activities coordinator to assistant Director I greatly appreciate your support and dedication to me and Memphis HOG.

### **Don't worry be happy!**

Now for the good news Carol Tattac has committed to taking the role of assistant director position in the chapter. Welcome aboard Carol.

### **From the desk of Carol Tattac**

Hi everyone! For those new members who do not know me, my name is Carol Tattac and I'm very excited to be your new Assistant Director!

I'd like to give you a little background as to how I became involved with Harley and the Memphis HOG Chapter.

My husband Jim (who also is the chapter's Secretary) and I have been together 32 years. For many of those years, all I heard from Jim was that he wanted a Harley. So, ten years ago for his 50th birthday, I surprised him when I rented a bike for him from Mile High H-D in Aurora, Colorado. We rode through the Rockies over to Breckinridge for the day. He was like a kid and had a smile on his face that would not go away. I then realized that I created a monster because he was hooked!

So for the next 3 years, I saved part of my paycheck (without him knowing) until I had a good-sized down payment. On January 28, 2017...we bit the bullet and went shopping! He came home with a bike that very day! I honestly believed that he was going to sleep out in the garage with that bike that evening! Had it not been -10 degrees that night, he probably would have!

In April 2017, we joined our first HOG chapter...Douglas County Chapter Colorado, aka DCCC, out of Parker, Colorado. In January 2018, I was elected their Treasurer.

In June of 2018, Jim's employer transferred us to the Memphis area, and we settled in Oakland. We joined Memphis HOG in August 2018. We couldn't believe that we found such a great group of people to ride with and many friendships were made!

October 2018, Jim and I were approached by Robert Gantt, who was the Director- elect at the time, and we were asked if we'd consider being the Membership Officers for 2019. So we did! We were Membership Officers for 2019, 2020 & 2021! We have really, really enjoyed it!

I love Memphis HOG. I love all the members! I love being an officer and being able to enjoy the opportunity to work with everyone and continue to grow this chapter. I think we are a great chapter with great people!

Thank you Tim Backus for giving me this opportunity and I look forward to working with you and our other chapter officers, as well as Bumpus Harley-Davidson for the remainder of 2023!

Carol Tattac  
Assistant Director 2023

## ACTIVITIES CHIT CHAT

February Newsletter 2023

Happy February! We have some good choices of activities for February! We have a Road Captain meeting along with Map Route Training on the 11<sup>th</sup> at 9 am in the Bumpus classroom upstairs. The Feb dinner social is planned to be at Joe's Crab Shack. Our 5<sup>th</sup> Annual Mardi Gras is on the 18<sup>th</sup> at 6:30 pm at Bumpus. At the end of the month, Feb 27-Mar 2 is the Run the Gulf HOG Touring Rally. Check the HD member website to see the other Touring Rallies. Some are not that far away to be able to participate.

Start gathering your spare parts, accessories, and gear to participate in the March 18<sup>th</sup> Swap n Meet at Bumpus. In March, we also begin our Saturday lunch rides. The lunch rides are on the 1<sup>st</sup> and last Saturdays of each month with an exception or two.

I love hearing your comments regarding the activities no matter what the nature. I appreciate the input, suggestions, constructive criticism, etc. I hope there are several activities and rides on here that you want to join in with HOG friends and have fun and ride!!!

## MESSAGE FROM HOG SAFETY OFFICER HOG Safety Article February 2023

HOG Safety Article February 2023

Well we are off to a cold and icy February but Spring is around the corner. For the coming year I was reminded by my old scout training of a motto we as motorcycle riders should put to use. It is "BE PREPARED"! It is easy for riders to get complacent, especially veteran riders, and not be prepared for the many events that can happen when riding a motorcycle. Do you still cover your brake and clutch levers when coming up on an intersection? Do you really know how to react when the car turns left in front of you at the intersection? Do you really know how your bike will react in a panic stop? If not I would advise you to take a motorcycle-training course. You say you took one when you started riding five years ago. Well its time you took the Experienced Riders Course (ERC). You need to take this course every so often to keep your skill sharp and to learn how your bike really handles. In this course you use your bike and you get to know exactly how fast it will stop. You will learn how it will react in a quick left and right weave maneuver. You will do this in a controlled environment with experience teachers. This training might save your life. There are two ERC courses scheduled this spring. March 19 and April 19. Email me to sign up. Cost is \$125 and you get \$50 back in Harley bucks. Only 7 riders per class. Below is monthly safety tip.

**MSF RIDE SAFE RIDE SMART**  
MOTORCYCLE SAFETY FOUNDATION®  
**INTERSECTION AWARENESS**

REAR VIEW MIRROR, ONCOMING TRAFFIC, SURFACE HAZARD, BICYCLIST, CROSS TRAFFIC, CROSSWALK, REAR VIEW MIRROR

You should be especially aware at intersections, where other vehicles can cross your path of travel. There are many things to scan for, including traffic devices, road surfaces, and the traffic and pedestrians around you. In a slow, tight turn, such as turning around in a parking lot, it helps to counterweight by leaning in the opposite direction of the motorcycle and direction of the turn. Put pressure on the outside footrest.

Info: [www.msf-usa.org](http://www.msf-usa.org)

### ONE RULE That Will Keep You Alive On City Streets

*By James R. Davis Master Strategies Group*

Of all the things that we learn being out on the streets with our bikes, one stands out as the all time lifesaver in my book.

**If you can avoid it, never enter an intersection without another vehicle on your right side.**

It should be noted that this advice assumes you ride in a country where people drive on the right side of the road.)

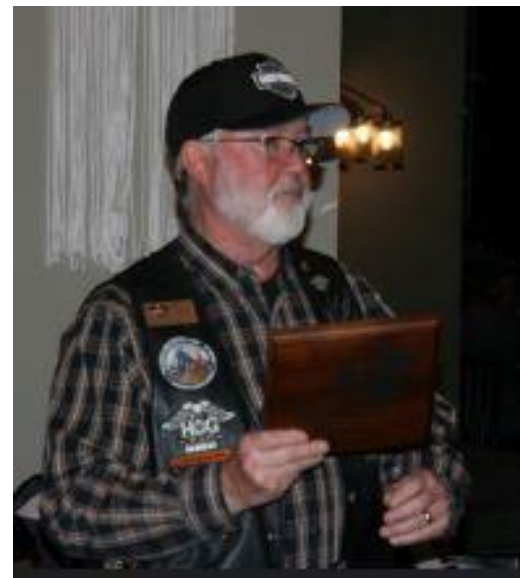

If you have to slow down in order to let a vehicle catch up with you on the right side, or if you have to increase speed a little so that you catch up with another vehicle, having one on your right side is as safe as it gets for entering an intersection.

Obviously this also means that if you are stopped at a traffic light and it turns green, you enter the intersection when the vehicle on your right does - no jackrabbit jumps if you want to live. Too tame? Could be, but this rider likes it that way. In fact, I'd rather that the vehicle on my right was a bus or even an 18-wheeler.

By the way, it is safer that the vehicle be on your right than on the left. The closer you can be to the center of the intersection when you go thru it, the more air there is (on average) between you and somebody that comes at you from either side. This is just another way of saying that if you have to enter the intersection by yourself, do it in the left most lane.

Keep the shiny side up.  
Larry- HOG Safety Officer

## Membership Alley 2023

Ice storm 2023 is done! For now at least! Me and Tracy had to drive down Germantown Road Wednesday morning and it was nothing short of a skating rink.

Don't forget about your membership renewals for this year. So far, we have 73 folks who have renewed. Don't be left out! On March 1, we will PURGE the email list and remove members who have not completed their forms. Don't be left out.

Everyone is required to submit a new membership form. I'll say it again...**EVERYONE IS REQUIRED TO COMPLETE A NEW FORM FOR 2023.**

There are multiple ways to get it done.

- 1) Take your completed membership form and payment to the parts counter at Bumpus H-D on Whitten Road in Memphis.
- 2) Mail the form and dues to: Memphis HOG c/o Bumpus Harley Davidson, 2160 Whitten Road, Memphis, TN 38133-6004
- 3) Bring your membership form and dues with you to the chapter meeting January 12.

Acceptable forms of payment are cash, check or PayPal. Checks need to be made out to Harley Owners Group Chapter #4928.

There is a small fee if paying with PayPal. The account is [memhog4928@gmail.com](mailto:memhog4928@gmail.com) and the total paid must be \$25.75.

We love new members! Remember, word of mouth is one of the best ways to attract attention to our group. If you know someone who is interested, please contact us with their contact information and we'll handle it from there.

Now, let's go ride!

Chris and Tracy Taylor

**RENEW YOUR  
MEMBERSHIP**

## The Treasurer's Corner

Susan Miller 2023

Update from the Treasurer's corner...

Our January account balance started at \$7,563.94, and we ended the month with \$7,619.22.

We had expenses in the amount of \$1,520.34, which was for bowling (lane rental), Hogwaller shelter reservation and an outstanding invoice from Norscot for an order from last year.

We had income in the amount of \$1,575.62, mostly due to 2023 membership renewals, 50/50, bowling fees from members, and Mardi Gras fees from members.

Reminder, please use PayPal or leave your payment in the drawer at the parts counter at Bumpus if you need to pay for anything.

Please reach out to me if you have any questions (email preferred - [susan\\_miller@outlook.com](mailto:susan_miller@outlook.com)).

Susan

# The Webmaster

Photographer

**Webmaster/Photographer**

**You may have noticed a few changes to the Memphis HOG Website. I deleted some items and added others to freshen-up the site.** I inserted a chapter photo in the lower section of the Home Page. For all of you that participated in the Annual Ski-Freeze on New Year's Day, the group photo that was taken with the I40 bridge in the back ground, I thought it was worthy of a Home Page feature. There was a good turn-out amongst all of you that day and maybe as close as we come to getting our most active members in a single photograph. I also used that photograph in the Photo Gallery home page.

**A new member form was substituted. There were minor changes made by National HOG.** The form has been placed under the "Memphis HOG Form" button on the Membership Page. A majority of our membership have already renewed.

**There is a link on the Home page connecting to the 2023 National HOG Rallies.** The Harley Davidson 120<sup>th</sup> Anniversary is shown in July for which we have a number of members planning to attend the event. If you have never been to a Regional HOG Rally, I recommend you pick at least one to attend. There are two types of rallies, stationery and touring. I personally enjoy the touring rallies as each day ends in a different city and a local Harley dealership. Often the local dealership will host a dinner, typically hamburgers and hot dogs but occasionally there is a buffet featuring food such as Italian, Mexican or BBQ to name a few. Typically, there are HOG members from the local chapter supporting the event.

**Website statistics,** the average number of sessions are hovering around 187 per 30-day period. The Participation page and the Calendar page continue to be the most viewed. On a 1-month snapshot on a given day there were 78 viewers entering our website directly, 61 entered the site through Google, 28 through Bing, 11 through Yahoo, 6 through DuckDuckGo, 2 from Facebook, 1 from Harley Davidson.com. The statistics show a number of sessions from visitors that are first timers and you might find it interesting that our site is viewed from other countries, people in Canada, Czechia, Germany and Sweden.

You may have noticed photos in the Photo Gallery for the Czech Republic. We have a couple of paid-up members to Memphis HOG from the Czech Republic. They occasionally send photos of their group that I insert into the gallery. They are the **Hradec Kralove HOG Chapter**. There were a couple of them that attended the 115<sup>th</sup> HOG Anniversary Celebration in Milwaukee. I remember they spotted Larry Allen and Jim Ferguson wearing their Memphis HOG vest.

## Bonus Article **Regarding Sign-In and RSVPing**

Back before I was one of your Officers I would show up to a ride (or meeting) and not make much of an effort to "sign-in". I was one of those members that someone was chasing down to sign-in. I never really cared as I was not chasing points or miles so to me, it didn't make any difference. It was not until I became an Officer and attending Officer's Meeting that I realized it was more than just a member signing in. As Memphis HOG we enjoy certain benefits and protections in belonging to a larger group, the National HOG Group. Member sign-in is one of the requirements from National HOG. Should an accident occur, first and foremost we hope you are okay but, second to that, we hoped you're

signed in. And if you think about it, the sign-in sheet could become the official witness list. 😊 And one real big problem we have, it's just being able to read your name and signature. Some of us have really bad hand writing. We don't care what your signature looks like but, please print your name legibly. A kind friendly request to all, please be proactive signing in.

The second part of signing-in is for your local Officers to record your participation. We're recording points and miles and we want to get it right. We know you want us to get it right as too many of you let us know when the Participation Point status are not up to date. As previously stated, please print legible.

When our Activities Officers requests a RSVP or a headcount for attending a lunch or dinner social, please respond even if it's the last day. Occasionally we either have reserved too many or not enough tables and chairs. We want everyone that can attend to attend but showing up without your reservation made typically means there were not enough tables reserved and people have to sit away from the main group or someone can't get a table at all. This does not mean if you did not RSVP and at the last minute you decide to attend, by all means attend. We're just asking for a little help in our planning.

Tony

# Membership

## To Join HOG National

In order to join the Memphis HOG Chapter, you must first be a national or associate HOG member in good standing. Click the link for the Harley Owners Group website to read about HOG Events, Membership Types and Membership Benefits. Once you join, you receive a membership number. Use this number to join Memphis HOG.

## Join the local Memphis HOG Chapter

Download the Memphis HOG form and fill it out. There are three ways to submit the form;

1. Drop off the form along with \$25 cash or check at the Bumpus HD Memphis parts counter.
2. Bring it to the next Memphis H.O.G. activity. Check the Events Calendar for upcoming events.
3. Mail the form and a \$25 check made out to "**Memphis HOG Chapter**". Mail to:

### INTERESTED IN ADVERTISING IN OUR MONTHLY NEWSLETTER?

Ads are free to current members selling personal items, e.g., bikes, bike parts, garage sale items, etc.

Business ads run for \$50/yr. for a business card, \$75/yr. for a ½ page, and \$100/yr. for a full-page ad. Please contact Tim Backus to set up your ad.
