## Message from the Director:

Hello Memphis H.O.G.,

Let me begin by saying “**THANK YOU**” to all of you that have complimented the Officer T.E.A.M. for the job(s) they are doing for you so far this year. Let me also say, “**U AIN’T SEEN NUTHIN’ YET!!!**” We have such an **AWESOME** year planned for all of you! BUT ... The only way for you to have an awesome year is for you to participate!!! ☺

Please remember to go out & find door prizes for the L.O.H. Chili Cook Off and Men’s Bake Off. It’s so easy to get one. Just tell them who the charity is (DREAM FACTORY) and they step right up! Rose will need a lot of help for this event and I know that our great group will be there for her and the entire L.O.H. membership.

Also, remember to get your work information into Ron Hagen. Send your information via e-mail to [ronaldhagen@yahoo.com](mailto:ronaldhagen@yahoo.com). He is compiling the data so we can produce a list of what our members do professionally so we may trade with each other and stay out of the yellow pages. Let’s support each other. This is not for solicitation purposes and any violations will be handled ASAP.

Please keep in mind that you have several ways to keep up to date with “**YOUR**” group:

- The H.O.G. PEN
- The H.O.G. LINE – 901.312.4849
- Email Blasts
- Your web site: [www.memphishog.com](http://www.memphishog.com)

2003 will be a very exciting year for the Memphis Harley Owner’s Group. There are so many things planned for you to enjoy. The greatest thing that you have going as a member of Memphis H.O.G. this year is that you have such a great T.E.A.M. of officers to serve you. Please remember that they are all “**VOLUNTEERS.**” I had a great comment made to me after the officer’s meeting on February 3 by a fellow officer. They said. “*J.T., the reason I know that Memphis H.O.G. will have a great year this year is that the officer team works in such a positive, caring and progressive way to achieve fun for the entire group.*” I completely and totally concur. We are working together to bring you the best we can give you for the best year, the most fun year and the safest year Memphis H.O.G. has ever seen!

**PLEASE** don’t sit on the sidelines this year. **Join** in the fun!

*Thank you again for the faith and trust you have put in me to be your Director for 2003. I promise to give you my best*

*to make sure that 2003 will be the greatest year ever for Memphis H.O.G.!!!*

See you at Bumpus H/D on March 1<sup>st</sup> at 4:00 p.m. for the ride to Southland Greyhound Park for the March Chapter meeting!

Ride and love it,

- **J.T.**

## Message from L.O.H.

The February 16<sup>th</sup> Ladies of Harley meeting will be at Rose’s house. The address is 5035 Trent Cove Arlington 38002, in Rockyford subdivision off of Old Brownsville Road (It’s really Bartlett but we have an Arlington zip). Check the Internet for directions or call me at 387-4644. It is a short distance from Bumpus HD. All registered Ladies of the Memphis HOG chapter are invited to be a part of the LOH. There are no extra dues. Come join us and get to know other LOH/HOG members. A drawing is held each month at the LOH meeting for a \$25.00 gift certificate to Bumpus HD.

February’s meeting should be a lot of fun. While discussing the Chili Cook Off, planning future rides and events we will sample a variety of chocolate foods. For those of us that didn’t see the video from the Ladies of Harley ride into Fox 13 to promote last years Chili Cook Off, we will play the video at the LOH meeting. We are planning another ride in to Fox 13 on Friday, March 28<sup>th</sup>.

The March LOH meeting will be a lunch ride to Hobo’s Bar-B-Q in Munford TN. We will gather at Bumpus HD at 12:45 and leave no later than 1:15. The date is Sunday March 16<sup>th</sup>.

The Chili Cook Off is March 29, 2003 from 10:00 until 3:00. Mark your calendars for a great day of fun and entertainment. We are planning a Bike Ride, drawings and many door prizes. This event hosted by the LOH benefits the Dream Factory. The cost to enter a pot of Chili or a baked good is \$5.00 per entry. Prizes will be awarded for 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> place winners in each category. If you would like to volunteer your time or donate a door prize you may contact me at 387-4644. Come out early and help set up. You’ll have a fun time working with other HOG members! Set up begins at 8:00am on March 29<sup>th</sup>.

Ride safe!

- **Rose**

## Message from the Chaplain:

Fellow H.O.G. members, it was brought up at our last meeting that we needed to do a better job of sending cards and flowers to members who are sick, injured, or have lost a loved one. It is of great concern to both Rose and me to handle these matters but we must be informed by phone or e-mail. *PLEASE* let us know and we apologize for anyone we might have missed.

Please continue to pray for Mike and Tina Logan along with those who are ministering to them in this great time of need.

Thanks to all of our new officers for all the hard work for our group.

Time is flying by and it is almost time for the Tennessee State Rally. I hope everyone will support the entire rally committee; the rally will be here before you know it. Remember to have fun and enjoy the rally.

Safety Blessings to all,

- *Albert*

## Message from Activities Officer:

As I compose this article there is snow on the ground and the temperature is hovering near the freezing mark. But, I know spring and warmer weather is just around the corner. So get those scooters ready for action, 'cause the fun will be coming fast.

We did have a brief respite from the cold weather on February 2<sup>nd</sup> and about 45 riders and several passengers rode to Holly Springs and then feasted on catfish at the Crossroads Catfish Shack in Red Banks, Mississippi. As the weather improves, we'll have a lot more opportunities for these types of fun rides.

Remember to make your room reservations for our Natchez Trace overnigher in May. We will stay at the Isle of Capri Casino and Hotel in Natchez, Mississippi, on Saturday, May 17<sup>th</sup>. Phone 1-800-The Isle (843-4753) and ask for the special "Memphis H.O.G.'s" room rate of \$35 with a complimentary buffet (for those of us over 21 years of age!). Details as to exact departure time will be communicated later, but we will leave early on the 17<sup>th</sup> since it will be a full day's ride to Natchez.

Also, note that our April 19<sup>th</sup> H.O.G. meeting will be a ride meeting. The April meeting will be a surprise location for a picnic. Check your emails and the HOG line for further details.

L.O.H. will be featured on Channel 13's morning show again this year to promote the Chili Cook Off and Men's Bake Off. Let's have a big turnout to support these hardworking ladies and their wonderful charity, The Dream Factory. Meet at Perkins on Poplar near Highland at 6:00 A.M. (yes that's 6 o'clock in the MORNING) to parade down to Channel 13. Contact Rose Styers with any questions.

Keep those cards, letters and e-mails coming with any ideas and suggestions for activities.

Ride safe and have fun!

- *Jerry*

## Occupational Information Notes:

Hello fellow Memphis H.O.G. members. I want to thank all of you who have already sent in your Occupational Information. This list will be helpful for all of us. Even if you are not offering a product or service this information is helpful in knowing who we are and what we do for a living. For those of you, who haven't already sent in your information, please do so ASAP so I can get this out soon. # NEW INFO

## Sunday Breakfast and Ride:

Bob Ward will be conducting a breakfast ride from the Country Kitchen in Covington on the 1<sup>st</sup> Sunday of each month at 8:00 am; please contact Bob for the latest details @ [harleylee604@aol.com](mailto:harleylee604@aol.com).

## Message from the Secretary:

If you have not pre-registered for the **2003 TN State HOG Rally**, *don't wait until the last minute*. I strongly *encourage* everyone to register **on-line** at [www.tnstatehogrally.com](http://www.tnstatehogrally.com) Registering **on-line** will ensure accuracy and help the rally committee, because your information is sent to us from HOG, so we do not have to re-key it.

The **on-line** registration process is easy. **Click** on the **Registration** icon at the top of each screen; **fill in** the information; **click** the **Create Form** button (at the bottom of the page); a new screen will appear for **you to print** with your browser's print function; then **mail the form** with your check or money order to the address listed in Jackson, TN.

Remember: **Ride and Have Fun!**

*Thanks, Lee*

## Message from the Treasurer:

Well, our membership rolls have been **purged**, so if one of your friends indicates they did not receive their newsletter or the latest e-mails, ask them the question, "Did you remember to renew your membership?"

Also be sure to thank **Paul Long** for not being present at last month's meeting. Our member's only drawing for March will be **\$150**.

Remember ride and have fun! **Have a Great Day!**

- Al

**Did You Know?** The club has a supply of patches and pins for sale. We have both large and small H.O.G. patches, Memphis Chapter rockers, and L.O.H. patches. We also have a nice Memphis H.O.G. pin. The large patches sell for \$18.00, the small ones \$8.00 and the pin for \$11.00. All can be purchased from the parts counter at Bumpus.

## March 1<sup>st</sup> Meeting Southland Greyhound Park

March 1<sup>st</sup> we will be meeting at the west entrance of Southland Greyhound Park for our meeting. The meeting will begin at 6:00pm. There will also be a group leaving from Bumpus Harley Davidson at 5:00 pm. There will be free secured parking for all members at the west entrance (motorcycles can park along the curb under the canopy).

You can take I-55 / I-40 to the Ingram Boulevard exit and then turn right. You will then turn left into the Dog track and go across the parking lot to the west side of the building.

The track will provide a free program and tip sheet for each of our guests and will reserve us seating in the Finish Line restaurant. You will be able to order from the menu or eat from the buffet.

*We need a head count for those who are going to help the track be prepared for us. If you would email me if you are going and how many are coming with you by February 24<sup>th</sup> it would be very helpful. Email me @ [datunaboat@aol.com](mailto:datunaboat@aol.com)*

## Message from the Safety Officer:

This is the final part of our 3-part series. This month we are presenting five new questions and answers about

**"Motorcycle Braking"**.

**11. If you "give it all you've got" on the front brake at Stage Four, won't you get front wheel lockup?**

Possibly but by using the staged braking process, by the time the tire gets to the point of locking up at Stage Four, the weight has transferred forward onto the front wheel and any tendency of the front tire to lose grip is both easily sensed and controlled, unlike a front wheel skid caused by a tire locking up when the brake is jammed on hard while weight is moving around on the bike under weight transfer.

With correct use of the Four Stage process, controlling a front wheel skid is simply a matter of keeping the wheel steering straight ahead as you relax pressure on the front brake to allow the wheel to revolve again and regain grip.

### **12. What will happen if the front wheel locks and I don't relax some pressure?**

You'll fall off as the wheel will eventually tuck under and the bike (and you) will fall down.

### **13. How good can you get at emergency braking?**

In emergency stops, expert riders are capable of controlling a front wheel skid by releasing pressure on the front brake just enough to get that wheel turning again without actually letting the brake right off. This requires considerable sensitivity on the brakes and the only way you will gain this sort of sensitivity is to practice.

At the NZMSC higher-level Mega-rider sessions, the way the instructors tell if the pupil has reached a suitable standard is whether they can hear the front tire chattering as the tire grips at the point of adhesion during emergency stops.

### **14. Is a bald tire a liability when braking?**

A tread-less tire will quite adequately handle braking stresses on a perfect road surface. The trouble is that perfect road surfaces are more than rare - they're virtually extinct. Tire treads acts like a broom, sweeping debris, dirt, gravel and water etc off the road surface in order that the tire can grip the road.

The tread on a sensibly ridden motorcycle can comfortably handle most foreign matter on a road surface - with the possible exception of oil (especially diesel oil), thick mud, and smooth wet paint. But link a bald tire with foreign matter on the road surface and throw in braking stresses for good measure, and the crash will resound throughout the neighborhood.

### **15. How should I brake on slippery and loose surfaces?**

Carefully, but not timidly. The secret to good braking on poor surfaces is observation. If you know what's under your wheels you can tailor your braking to the surface.

So, keep an eye on the road surface. If you cross a slippery surface under strong braking, the front wheel may lock. This is why riders who brake late and hard for orange or red lights often spill off - into the middle of the intersection. The fall occurs because the rider fails to ease the front brake as the front wheel crosses the white line that crosses the lanes at the edge of the intersection. Then the front wheel breaks loose under braking on the slippery surface, the rider

panics and freezes, and he and his bike head toward the ground.

The basic requirements for braking on a loose surface such as gravel are the same as those applying to braking on a sealed surface. The difference is that you must observe the requirements more strictly on gravel.

You must brake in plenty of time, preferably brake while upright and in a straight line (any braking while leaned over in gravel is extremely hazardous), use both brakes very progressively, carefully interpret the noise from the front and rear tire while braking to detect and counteract any wheel lock-up, know your road surface, and take particular care when braking on gradients, inclines, and heavy cambers.

We hope you are finding these questions and answers informative and interesting. Please e-mail your questions or comments to [lallen@sunrock.com](mailto:lallen@sunrock.com)

### **Message a Road Captain:**

This past Sunday we took a group ride to Holly Springs, Mississippi. It was a beautiful day and everyone I talked to enjoyed it immensely. I would like to express my appreciation for the way everyone rode. This ride was not an “escorted” ride. Instead, we got ourselves organized.

There were approximately 55 riders. One of our Road Captains went over the route while another explained the “Pre-Ride Instructions”. I know at this very moment some of you may be saying “I don’t need to listen to all that”. But, for new riders this information can be very pertinent to the safety of *all* the other riders. Before we left, we divided into three groups with two Road Captains in each group. We were able to place one Road Captain in the lead position and one road captain in the drag position of each group. There were many who said this was one of the safest and most fun rides in which they had participated.

Thanks everyone for a great and safe day!
