

## Scavenger Hunt 2022

- The contest goes through Thanksgiving 2022. That means your last opportunity for a picture is Thanksgiving weekend and all entries need to be submitted to me by that Sunday midnight.
- The winner will be announced at the HOG Christmas party. The winner will be the one with the most entries submitted. If there are multiple folks with the same number of entries, then we will randomly draw a name.
- You earn entries by snapping a picture of yourself and your motorcycle in front of the object and sending that picture to me at [verbeekr@yahoo.com](mailto:verbeekr@yahoo.com). Please add the following to the subject line *Memphis HOG Scavenger Hunt*. Make sure you add which category your entry should fall under.
  - In some cases it will not be possible to have your bike in the picture, no problem, just take a selfie and explain why the bike could not be in the picture.
  - In some cases it may be easier to do a group photo, like when you are on a ride with a group and it would take up too much time to take individual pictures. Have one person from the group submit the picture with a list of names that are in the group picture.
- Every entry is worth 1 point. You can get 5 points maximum in each category. For instance, you go on multiple trips where you can take a picture with a ferry, submit them all (maximum of 5) and you'll receive credit for all of them (maximum of 5). However, it has to be a different ferry for each entry.
- You do not have to take the pictures during HOG events, you can do this all on your own.
- All decisions on whether or not an entry is valid will be made by me and are final (no whining allowed).
